Dear Ana Marina,

Thank you for your kind inquiry. I confirm the validity of the attached certificates. The products were tested at our laboratory in Budapest and our NB issued the attached certificates. The production control according to Annex VII module C2 conformity to type assessment of 2016/425. (EU) Regulation was carried out at the manufacturer in last November.

Our certificate checker system is under an improvement process that causes some delay in indicating the latest issued certificates. Thank you for your kind patience and undestanding.

Üdvözlettel / Kind regards,

GÉPTESZT

Subject: Certificate ED29/E223/2104/X2/E/2233 - FFP2 mask GASV-02

Dear,
we have received the attached certificates from our supplier. The Module C2 ED29/E223/2104/X2/E/2233 certificate does not appear in the search query on your site: can you please tell us if these certificates are valid?
Best regards,

Ana Marina Lozica
